

Amendments to the Drawings:

The attached sheet of drawings includes new Figure 24, which is substantially identical to Figure 3 as filed except that, in Figure 24, a reflecting surface of the reflector 312 is a curved surface. This feature of new Figure 24 is described in the specification at page 10, lines 7-23 and page 20, lines 9-11 and has been added in response to an objection under 37 CFR 1.83(a) in the Official Action.

Attachment: New Sheet – Figure 24
